Welcome to Fitzgeralds Portrait Photography

With extensive photography experience, John Fitzgerald is passionate about capturing images that you and your family will cherish for a lifetime.

You may have your photographs taken either in our St Martin's studio, where parking is available, or at a location of your choice. All your images are securely stored on-site and printed at our laboratory in St Martin's.

If you opt for one of the island's beautiful locations, John has several unique spots that serve as perfect backdrops for your portraits. Alternatively, he can also document a laid-back afternoon in the comfort of your home.

Thinking of surprising a family member or friend? Purchase a gift voucher! They're available instore and you can choose any amount to make their day sparkle.

Studio Portraits

Every portrait is distinct, and we prioritize crafting beautiful memories for you to cherish. Our studio can accommodate up to five people, perfect for a family or a group of friends.

Once your portrait photographs have been captured, they will be showcased in a private online gallery, allowing you to view and order them at your convenience.

Location Portraits

Guernsey offers a wealth of stunning locations to choose from. We are here to assist you in finding the ideal spot for your family portrait. With John's expertise in natural light and his ability for making even the simplest backgrounds shine, your photographs will truly come to life.

Pets are cherished members of the family, and we encourage you to include them in your location session or even to have a dedicated portrait of them.

John's calm and innovative approach consistently yields breathtaking portraits at any time of day, although he particularly enjoys the soft, misty light of early mornings or the warm glow of late afternoons.

If the weather on the day of your portrait isn't ideal, we can easily reschedule for another date or select a different location.

"John captured our dog's playful energy and cheeky personality, we are so pleased with our photos it made it difficult to choose a favourite!"

"We have been coming to John for many years to update our family photos and he never disappoints. We truly have nothing but the highest praise for John's work"

BOOKING YOUR PORTRAIT

After deciding to schedule a portrait session with John, please select your preference for a studio or location portrait. Think about the participants and whether they would enjoy the more formal yet cozy atmosphere of the studio, or the relaxed setting of a location portrait at the beach, cliffs, or even at home. We're here to offer recommendations and will certainly take wind direction and tide times into account. We will request details about who will be part of your portrait session and confirm the date, time, and chosen location.

BEFORE YOUR PORTRAIT

We will contact you before your portrait to take payment of your chosen package and also to confirm details including checking the weather forecast.

ON THE DAY

On the actual day of your portrait, you will meet with John at a pre-determined time and place - he'll be the one with the camera! There's no limit to the amount of photographs taken, and each one will be hand edited by John personally.

WHAT TO WEAR

We suggest you wear comfortable, plain and simple clothing for your photoshoot and encourage you to view our website to gain inspiration from recent portraits.

VIEWING YOUR IMAGES

John meticulously edits and prepares each photograph captured. These images are then uploaded to a private gallery on our website, allowing you to view and order them at your convenience. If you'd like to discuss wall art options, feel free to visit us at our studio.

Every order is personally hand-prepared by John to guarantee the highest quality in the final product. We print all photographs and canvases at our photographic laboratory located in Guernsey.
